

Perfect treatment place for Psychological,
Neurological & Physical conditions

What we do for you:

- Treatment for anxiety, depression, phobias, fears, anger etc
- Treatment for migraine
- Treatment for insomnia
- Treatment for pinched nerves
- Treatment for panic attacks

Are you looking for an alternative therapy that achieves phenomenal results?

There are many conditions adults and children suffer with that they have been unable to conquer with traditional medicine or treatments. Ancient Russian Healing's unique natural methods deliver results where other methods have previously failed, focusing on eliminating the root cause of the condition. It is not a medicine rather an ongoing treatment therapy that Isabella (the therapist) carries out.

Ancient Russian Healing
251 North Rd, Caulfield South
